

The 6th Annual Alma Lee Loy Team Challenge

Monday, April 29, 2024 1 p.m. Shotgun Start

Sandridge Golf Club - Dunes Course

“The Dunes is one of two excellent public courses at Sandridge Golf Club. This course winds in and around natural inland dunes. The front nine is very tight, while the back nine is more like a links course. Greens and tees are elevated and only four holes have water. The par-5s are less than 530 yards, except for the final hole, which is 568 yards. The par-3s are from 156 to 217 yards. This is a public golf course. Metal spikes are tolerated, but not encouraged.”

Hello Golfers,

I am pleased to announce the **6th Annual Alma Lee Loy Team Challenge** will be held on Monday April 29th at 12:45 p.m. (for pictures) at Sandridge's Dune Course.

In 2024, we will continue to have divisions of women, men and couples. Our hope is that foursomes either by club or friends will compete in this Shamble (selective drive) - 1 Best Ball of Four Format of Play and join everyone after golf for refreshments. Proceeds will benefit the Indian River Golf Foundation programs including the LPGA*USGA Girls Golf – Indian River Chapter.

Bela Nagy, Director of Golf at Sandridge, will share his thoughts and programs for better golf.

When this tournament started, one of the girls who benefited was Angelica Holman. She participated in many of the activities of the IRGF. Today she is a scholar athlete, a Florida State High School Champion and a scholarship recipient at Daytona State College. Angelica has recently received a partial scholarship to join University of Georgia women's golf team starting in August. (Go Dawgs!) Annika Miller, also a scholar athlete participated as a youth player and is now on the Palm Beach Atlantic University Women's Golf Team. There are a total of 6 former members of the LPGA*USGA Girls Golf – Indian River Chapter now playing collegiate golf. Former collegiate player at South Florida State University, Kira Shellman, is the newly appointed Assistant Golf Professional at Cherokee Town & Country Club in Atlanta. We first met Kira when she was in the 6th grade at Oslo Middle School.

I hope you will again join and support this great cause. If you wish to participate and do not have a foursome, let me know and we will match you when possible with others. If you are unable to participate, it is our hope you donate to the IRGF to promote girls in golf. Please feel free to contact me if you have any questions. The registration form is on the next page of this announcement.

Sincerely,

Jill Collinson, Chair
