THE IRGF

For over 17 years, the Indian River Golf Foundation has served as a driving force in youth development through golf offering access, instruction, competition, mentorship, and leadership training to over 300 young players every year.

We believe golf is more than a game. It's a classroom for life — where kids learn discipline, respect, resilience, and confidence. Whether they're first-time beginners or college-bound competitors, our programs meet them where they are and help them grow into who they're meant to be.

IRGF offers year-round experiences that include:

- Players On-Course - On course practice and play.
- Player's On-Tour - Middle School and High School collegiate prep tour
- Player's On-Line - A virtual Golf Academy
- Clinics, camps, and after-school lessons
- Competitive tournament access and coaching
- Scholarships for families in need
- Mentorship and leadership programs
- A new Virtual Golf Academy to reach kids where they are at

Every program is built on our Five Pillars: Golf Skills, Course Management, Rules & Etiquette, Leadership & Life Skills, and Self-Care.

Our mission is simple: create opportunity, build character, and grow the game. And none of it is possible without sponsors like you.

Your support fuels the swings, the smiles, and the futures we help shape.
