

Quail Valley Collegiate-Am Sponsorship & Exclusive Collegiate-Am Playing Opportunities ~ October 18th - 20th, 2025 ~

On October 18th, the next generation of elite collegiate golfers will take to the course at Quail Valley, showcasing the future of the game on our championship layout. The Quail Valley Collegiate-Am reaches exciting new heights through a mutually beneficial partnership with the Indian River Golf Foundation, Paul McGinley, and The McGinley Foundation. This collaboration reflects a shared commitment to growing the game of golf at the grassroots level, starting right here in Indian River County. Paul's reputation as a Ryder Cup Captain, global ambassador, and lifelong advocate for the sport brings added prestige and purpose to the event. Proceeds from this year's Collegiate-Am will directly support The McGinley Foundation with funds raised specifically earmarked for funding a proposed Training Facility for the Indian River Golf Foundation. (See below for architectural renderings of the envisioned facility.) This project represents a major step forward in providing access for local youths and families to golf, creating a lasting impact within the community.

The week kicks off with a special College-Am, where registered golfers will tee it up alongside top collegiate talent, bridging generations and connecting our club with the sport's future stars. With this new chapter for our Quail Valley Collegiate Championship, we enter an exciting era of elevated visibility, expanded reach, and deeper engagement across the collegiate, professional, and local golf communities. As an added bonus to those who register and participate in the College-Am, you will receive the first opportunity to reserve a spot in a very special dinner with Paul McGinley and a "friend" at our River Club on Monday, October 20th. This evening will no doubt be very special as Paul and "friend" will conduct a fireside chat to include Ryder Cup stories, news around golf, and his desire to be a part of and positively impact the Vero Beach community through golf. For those with an interest in playing, being a part of this year's event, and making an impact on our community through golf, please register at your earliest convenience!

If you would like to be a part of this meaningful initiative, please see below a list of sponsorship opportunities. This is a great opportunity for those inspired by this initiative to make a significant difference in the future of golf here in the Vero Beach community. In advance, thank you to all who will give this consideration.

The Indian River Golf Foundation (IRGF) has been serving youth and families in Indian River County for over 17 years, using golf as a platform to inspire character, leadership, and lifelong skills. The next step in this mission is the creation of the IRGF Performance & Training Center, a state-of-the-art facility designed to provide year-round access to golf instruction, technology, and mentorship. This new facility will allow the IRGF to expand its reach, strengthen its programs, and ensure that every young player has the opportunity to grow on and off the course.
